The applicant certifies that all information on this application is correct and the work will be completed in accordance with the "approved" construction documents and PA Act 45 (Uniform Construction Code) and any additional approved building code requirements adopted by the Municipality. The property owner and applicant assumes the responsibility of locating all property lines, setback lines, easements, rights-of way, flood areas, etc. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel or set aside any provisions of the codes or ordinances of the Municipality or any other governing body. The applicant certifies he/she understands all the applicable codes, ordinances and regulations.

Application for a permit shall be made by the owner or lessee of the building or structure, or *agent* of either, or by the *registered design professional* employed in connection with the proposed work.

I certify that the code administrator or the code administrator's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.

READ, UNDERSTAND AND COMPLY WITH THE FOLLOWING NOTICES

NOTICE: In addition to a zoning/construction permit, if the subject property does or will require access to a public road or street, and/or will require improvement/change of existing driveway access to a public road or street. If such public road or street is under the jurisdiction of the Commonwealth of Pennsylvania, you must obtain a Highway Occupancy Permit pursuant to Act no. 428 of 1945, as amended, known as the "State Highway Law", Application for such Highway Occupancy Permit as to a Commonwealth road or street must be made to, with and processed by the Pennsylvania Department of Transportation. If such road or street is under the jurisdiction of North Sewickley Township, you must apply for and obtain a Driveway Permit from the Township.

NOTICE: In addition to a zoning/construction permit, you may need to make other applications and obtain other permits for the development you propose, including but not limited to, depending on location of your premises, for an on-lot sewage permit and/or connection to a public sewer connection permit, water connection permit, and/or Land Development approval, prior to being able to commence construction. Further, following construction and prior to placing into use the proposed structure/building, you will need to procure an Occupancy Permit.

NOTICE: Contractor prohibited by law from employing any individual to perform work pursuant to this building permit unless contractor provides proof of worker's compensation to North Sewickley Township. Contractor also prohibited by law as to building or remodeling under subject Permit from engaging the services of a subcontractor unless subcontractor maintains workers' compensation insurance coverage as to subcontractor's employees. Failure of Contractor and Applicant for this Permit to maintain worker's compensation insurance according to law of Commonwealth of Pennsylvania, and as to said insurance, naming North Sewickley Township as a named insured, coverage requires stoppage of all construction/work under Zoning/Construction Permit issued and a Zoning/Construction Permit may be revoked.

NOTICE: Property owner is responsible for determining if property is subject to private covenants or private plan restrictions and compliance with the restrictions. Private covenants may be more restrictive than zoning/township regulations. Issuance of a building or zoning/construction permit does not constitute compliance with private covenants or restrictions. Permits issued in violation of any private covenants or restrictions are the sole responsibility of the property owner or their authorized representatives.

STATEMENTS AND VERIFICATION BY APPLICANT

I do hereby agree to observe and adhere to any and all provisions of the North Sewickley Township Zoning/UCC Code, and do further agree and understand that my failure to do so shall constitute a violation as to any Permit issued per this Application, which violation shall cause any Permit to become Null and Void, and revocable by North Sewickley Township via its Zoning Officer or other designated agent.

I/We hereby certify that as applicants, owners, contractors, agents or others that I/we completed and read the foregoing Application and that the information and statements in this application and other representations contained in all accompanying plans are made a part of this application and are true and correct to the best of my/our knowledge and belief. This statement and verification are made subject to the penalties of 18 P.A.C.S.A. Section 4904 relating to unsworn falsifications to authorities, which provides that if I/We knowingly make false statements of averments, I/We may be subject to criminal penalties. I/We hereby authorize representatives of the township to make required inspections upon the property to verify that the construction requested under this application complies with the North Sewickley Township Zoning Ordinance and other applicable codes.

If applicant is Contractor or Agent of Owner, he/she hereby certifies that he/she has the authority to act on behalf of the Owner.

EXISTING COMMERCIAL AND MULTI-FAMILY

Section (403.42.)

An owner or authorized agent who intends to construct, enlarge, alter, repair, move, demolish, or change the occupancy or use of a commercial building, or to erect, install, enlarge, alter, repair, remove, convert or replace any electrical, gas, mechanical, or plumbing system regulated by the Uniform Construction Code, shall apply to the building code official and obtain the required permits.

A permit applicant shall submit an application to the building code official, and attach construction documents, including sealed plans and specifications if changes are needed to the building to comply with the code for the new occupancy.

A licensed architect or licensed professional engineer shall prepare the construction documents under the architect's licensure law.

This may be submitted in letter form from the architect or engineer if the building complies with the code for the change of use or occupancy. Also submit a copy of the certificate of occupancy issued by the Department of Labor and Industry for the existing building if it is available.

Plans may be submitted electronically (**Preferred Method**):

By going to our website, www.mdia.us, and click on Offices, click on Plan Review and then Submit Plans.

Attached is a check list of required code information needed for review of plans.

What do we do?

We are the "Call before you dig!" company for all of Pennsylvania. If you plan to disturb the earth with powered equipment, you are required by Pennsylvania law to notify the underground utility companies of your intent to do so. Notification occurs by calling 8-1-1 or 1-800-242-1776, 24 hours of the day, every day of the year. Notification can also be done on our website at www.paonecall.org.

We will then notify the utility companies nearby of your intent to dig. The utility companies are responsible to mark where their underground lines are located with colored flags, paint or chalk.

Please Note:

- PA One Call does not mark utility lines.
- In some cases, the utility company may not mark the service lines you own.
- If you need your sewer drain cleared be sure to check www.paonecall.org/crossbore for Call Before You Clear information or call 811 for more information.

Why should you call?

Safe digging is no accident! If you are installing a fence or deck, or digging for a mailbox post, patio or other excavation project, it is important to Know What's Below. Dial 8-1-1 or 1-800-242-1776 before you dig. The utility companies do not want an accident, either. The best way to learn where underground utility lines are located is to call before you dig.

For more information, visit www.pa811.org

Homeowner Quick Tips

- One easy phone call to 8-1-1 three to ten business days before digging begins helps keep your neighborhood safe.
- Call on Monday or Tuesday if you plan to dig on Saturday or Sunday.
- The utility companies will mark where their underground lines are located with colored paint, flags or chalk.
- Do not remove the flags if you see them in your yard.
- Our service is no cost to homeowners.
- Did you hire someone to install your fence, deck or new patio? Ask to see the PA One Call serial number before allowing them to dig on your property.

The Excavator's Responsibility

- Dial 8-1-1 or 1-800-242-1776.
- Do not allow anyone to excavate on your property without calling.
- Always look for the markings on the ground before your dig date.
- If you do not see markings, do not allow anyone to dig. Wait for the lines to be marked by the utility.
- Whoever places the call will receive an email or fax with a list of facility owners who have marked or have not marked. Pay attention to this message.
- Respect the markings by not removing flags or disturbing the actual markings.
- Exercise care around the marked lines by hand digging.
- When the project is complete, the excavator should remove the flags or marks from the ground or pavement.
- Report mishaps by dialing 8-1-1. Report emergencies by dialing 9-1-1.
