## TextMyGov Announcement

North Sewickley Township is excited to expand our TextMyGov service, a new, smart text messaging service! Residents will continue to receive important notifications and text the Township to find specific information. While we have been utilizing TextMyGov for a while, we are expanding the use of the system.

North Sewickley Township will officially launch the new text messaging system to the public on 05/16/2025. Residents may receive a text message from **91896** from the North Sewickley Township initiating the service. You can choose to opt out at any time by texting **STOP**.

If you don't receive the initial message, you can choose to opt-in by texting the keyword "**NST**" to the number **91896**. After sending the initial keyword, you will be asked to reply "**YES**" to confirm opt-in. Residents may receive notifications for **events, emergencies, general Township information, office closures, due dates**, etc.

Residents will also be able to receive on-demand information 24/7 by texting 1-2 keywords to the Township's TextMyGov number. You'll be able to get quick information about **Bill Pay, Home Inspections, Meetings, Building Permit, and other Township information**.

North Sewickley's use of this technology is another example of how our community is enhancing resident services by implementing 21<sup>st</sup>-century solutions. We're excited about this new way of communicating with residents and we look forward to sharing important Township notifications. Other governmental entities across the country are utilizing this system with great success. Stay informed, stay ahead. Phone numbers that are registered with the USPS are automatically brought into the TextMyGov system to provide a database of residents for ease of communication. We will be able to send information specific to certain roads if something impacts only a small portion of the Township such as water breaks or road issues using our mapping feature that is now available. The only way to help make this successful is your participation, sign up to be sure to stay in the loop with Township information! The information you receive will be generated by Township employees directly and will not be junk or spam mail.

Sincerely,

**Lisa A. Crespo**  
Secretary/Treasurer  
Authority Manager
