The following criteria must be met in pursuant to:

**27-1508 Variances**

- A. The Board shall hear requests for variances where it is alleged that the provision of the Zoning Ordinance inflict unnecessary hardship upon applicant. The Board may be rule prescribe the form of application and may require preliminary application to the Zoning Officer. All applications shall include a site plan that has been prepared based on an exist i n g survey. The Board may grant a variance provided the following findings are made where relevant in a given case.
- (1) That there are unique physical circumstances or conditions, including irregularity, narrowness or shallowness of lot size or shape, or exceptional topographical or other physical conditions peculiar to the particular property, and that the unnecessary hardship is due to such conditions generally created by the provisions of the Zoning Ordinance in the neighborhood or district in which the property is located.
  - (2) That because of such physical circumstances or conditions, there is no possibility that the property can be developed in strict conformity with the provisions of the Zoning Ordinance and that the authorization of a variance is therefore necessary to enable the reasonable use of the property.
  - (3) That such unnecessary hardship has not been created by the appellant.
  - (4) That the variance, if authorized, will not alter the essential character of the neighborhood or district in which the property is located, nor substantially or permanently impair the appropriate use of development of adjacent property, nor be detrimental to the public welfare.
  - (5) That the variance, if authorized, will represent the minimum variance that will afford relief and will represent the least modification possible of the regulation in issue.
- B. In granting any variance, the Board may attach such reasonable conditions and safeguards as it may deem necessary to implement the purpose of this Ordinance and of the Pennsylvania Municipalities Planning Code, Act 247, as amended. Following the granting of a variance, said use shall be established and building or portion thereof occupied, within tow (2) years of the approval date.
- C. Under no circumstances shall the Zoning Hearing Board grant a variance to allow a use not permissible under the terms of this Ordinance in the district involved, or any use expressly, or by implication, prohibited by the terms f this Ordinance in said district.
- D. A variance from the terms of this Ordinance shall not be granted by the Board unless and until a written Application for a variance is submitted to the office of the Zoning Officer expressing the unique physical circumstances or conditions of the particular land, structure or building creating an unnecessary hardship. No conforming use of neighboring lands, structures or buildings in the same district, and no permitted use of lands, structures or buildings in other districts shall be considered grounds for the issuance of a variance.
